

# Vitamin D3 (Cholecalciferol)

Strength: 100K IU/gm

## About Us -

"Q-Line Nutraceuticals Private Limited was established in 2023 with the mission of '**Empowering Total Health**'. Our company is dedicated to advancing wellness by providing high-quality, science-backed nutraceutical products designed to enhance overall health and well-being."

Q-Line Nutraceuticals specializes in the manufacturing of:

- Botanical / Herbal Extracts
- Carotenoids
- Nutraceutical Ingredients
- Also engaged in Research & Development, Manufacturing of pre-formulated intermediates of **Vitamins, Minerals, Natural Carotenoids, Fermented Herbs** by using its technology edge of innovation.

State of the Art GMP Certified manufacturing facility is located at New Delhi Okhla Phase II, Okhla Industrial Estate, New Delhi. Manufacturing facility is accredited with FSSAI (Food Safety), GMP, ISO & HACCP. All our products are certified by FSSAI, Halal & Kosher.

At Q-Line Nutraceuticals, we work towards providing products with complete documentation for product traceability & quality. This is achieved through our in-house facilities like:

- Research & Development Department
- Bulk extraction facility where all equipment's are as per GMP Guidelines
- Quality Control Department

Our ability to deliver high-quality extracts with complete traceability, in line with our mission of "**Empowering Total Health**" is made possible by our strict quality controls for incoming raw materials and controls during various stages of production, proper inspection and packing of finished products, and testing of extracts using validated testing procedures.

### Q-Line® Vitamin D3: (Cholecalciferol)
